

Cape Cod Astronomical Society

Minutes of the April 3, 2014 meeting

Attendance: Total: 14 Members: 13 Guests: 1

President Mike Hunter opened the meeting at 7:30 P.M. Mike discussed upcoming events.

The presentation for the evening was conducted by two CCCAS members. Gus Romano and Larry Brookhart. They discussed the history of the Harwich Observatory. Historical slides added to the story. More information can be seen at the following link <http://www.monomoy.edu/harwichobservatory>. The observatory is a true success story and is the result of both generous donations of equipment and countless hours of work from volunteers. The observatory houses a 32-inch Dobsonian telescope that is capable of viewing remote objects in the sky.

The meeting ended at 9:30 P.M.

Respectfully submitted,

Charles Burke
